

I am responding a letter which references the 30-day post-general report (10/16/08 - 11/24/2008).

I made an error when reporting a 48 hour notice: I reported a 48 hour notice for Real Estate Investment Trust PAC when it should have been reported as National Association of Realtors PAC. This was reported on October 20, 2008.

Also, I made several 48 hour notices on October 23, 2008 and inadvertantly left off one by Joseph Corcoran for \$2,300. I received the proper information in a timely fashion. There were two contributions made by a Joseph Corcoran and I only reported one of them.

I apologize for this discrepancy.
